Frequently asked questions:

Do I need a referral from my Doctor?

No. You are able to make an appointment to see the physiotherapist as soon as possible. Physiotherapy, sports injury and hydrotherapy services at The Royal Buckinghamshire Hospital are available to everyone, and are covered by all major insurance companies.

You may refer yourself for physiotherapy treatment, or you can be referred by your GP or Consultant. We will liaise with your Doctor and keep them informed of your treatment and the results, should you wish.

How much will it cost?

You can pay for treatment privately, or through your health insurance company if applicable. The charges for treatment include:

Initial one hour consultation £45
Standard 30 min consultation £38
Hydrotherapy session £50

If you have private medical insurance, you should contact your insurer prior to commencement of treatment to ensure that you have adequate cover.

How do I make an appointment?

Just call our reception desk on 01296 678910

The Latest Facilities

- ★ Fully equipped gymnasium
- ★ Hydrotherapy Pool

Specialist Staff

All physiotherapists hold a degree with at least 5 years post-graduate experience. They are also registered with the Health Professions Council and members of the Chartered Society of Physiotherapy.

During your initial consultation, the physiotherapist will assess your condition, provide an explanation of the diagnosis and formulate a treatment plan tailored to your needs.
